Important Note :

- The above securities are issued subject to the terms and condition of the relevant plan rules. Awards that are still in restriction may or may not vest in accordance with the original terms and conditions of the awards including the meeting of applicable performance conditions. You should refer to the specific terms and conditions relative to each plan for further information.
- Please note under the Sharedvantage Global Employee Share Plan if you request to sell or transfer your Acquired Shares prior to the end of the vesting period, your conditional rights to Matched Shares will be forfeited and you will have no further entitlement to the Matched Shares.
- Where securities are shown as Ordinary Fully Paid shares these represent shares held directly in your name and are not subject to any employee share plan and are merely held under the same SRN as your employee equity.
- This statement cannot be relied on for tax purposes and you should refer to the relevant tax guide provided in your offer documentation.
- All current values are calculated using the 20 minute delayed market price at the time the statement has been created.
- All values are shown in AUD unless otherwise stated.
